Andrew,

It's almost surreal. It's finally happening. Out of 46 agents at Re/Max Foothills, I'm #1 in listings taken for the year and #2 in dollar volume closed so far.

The last couple of years of being consistent with prospecting, going on appointments, and working hard like you tell us to has gotten me to where I am today. Continuing with the same drive and focus that you instill will take me to the next level and beyond.

Thank you for all you do, for being a great coach, a great friend, a great mentor. Most of all, thank you for caring so much. I look forward to an even better 2010.

And as always, EVERYDAY IS THE KEY!

Thank you,

Alan Swartzentruber - 100% Club, Re/Max Hall of Fame
