Andrew,

I've been so blessed to have the opportunity to have you in my life. I've shared with you that last year was my best year in real estate. Last week in our first sales meeting of the year, my broker announced that I was the Top 3 Individual Producer in our office of about 97 agents. YOU made this possible! I was very amazed and still am.

Knowing that I always have the support from you by my side, just gives me the tremendous strength to always go on, and that feeling is very, very encouraging. I feel that bar has been raised, and I am very excited to start a new day everyday...and look forward to having another fabulous year with your guidance.

Always grateful
