Andrew,

*It is great to know that you can take a week of Vacation and place 5 under contract while you lay on the beach and relax. I have just came back from vacation, and this was my week. Because of the listing that I have I was able to relax, enjoy my vacation and still place homes under contract.*

*Not to mention that I closed 6 homes the day before I left and close two more within 2 days of my return for vacation. It is great to know that I am in control of my business. Thanks to you I am an agent that makes my business. Not and agent that waits on the business to come to me. Thanks for all you have done for me in my business over the last several years. I look forward to the new growth that my business will have with you as my COACH! You have not only changed my business, you have helped me change my life. I am forever thankful for all that you do. It is my pleasure to call you my Coach and my Friend!!*

Love,

Pam Harrison
