Subject: What A Great Problem To Have

Dear Andrew,

With the listing I took today I have no more signs or lockboxes. How am I going to be able to do anymore business? I'm just kidding. Is this a great problem to have or what? Talk about how bad the market is and what a slow month December was supposed to be... I put 3 houses under contract which are now pending waiting to close in January. I have you and your wonderful program to thank for all of this. By following your program to the letter every day I am getting fantastic results. 2010 has picked up where 2009 left off. With your coaching and by attending your 2-day Intensive Seminars every 45 days I am looking forward to having my best year in real estate in 2010.

Andrew, I want to thank you for always being there when I need your help.

Richard

P.S. The highest compliment that I can receive is the referral of your friends, family, & business associates. Thank you for your trust.
