

Dear Andrew,

Thank you for a great program. It was just 2 days but it did change my life! What has changed is my attitude, my focus is truly to Help people get their home Sold. Also my focus and attitude is to stay on track and professional and to be upfront about what it will take to get the home sold.

Thanks again for the great program. I look forward to seeing you when you come to Atlanta in March.

Sincerely,

Steve Retchko
